Activities Director

KCA Test Schedule Spring 2010

- Inman JH/HS students will be tested in Reading (7th, 8th, 10th & 11th OTL); Math (7th, 8th, 10th & 11th OTL); and Science (7th, 11th).
- Test Windows: **Math & Reading: February 17th to April 13th**
Science: March 17th to May 7th
- The JH Staff would like to block two class periods together when testing and this should cause very little disruption of other classes while providing adequate time to complete the test.
- The high school Reading & Math departments would like to test the first hour of each day on their three day schedule. We understand the disruption this causes by pulling students out of several classes at once but we want our students to have the best opportunity to be successful on the KCA and to meet AYP standards for the sake of the entire school.

<u>Grade & Subject</u>	<u>Dates</u>	<u>Hour</u>	<u>Room Location</u>
